St Pius X Primary School

Message from key groups in our community

Principal's Message

It is my pleasure to present the Annual School Report for 2023 St Pius X Primary School, Windale. Our school is a Kindergarten to Year Six systemic school of the Diocese of Maitland-Newcastle. We are situated in the Lake Macquarie region, in between the tranquil shores of Lake Macquarie and the beautiful beaches of Redhead and Dudley.

St Pius X is a Christian school in the Catholic tradition with a rich heritage and a strong sense of community. The school was founded in 1958 on the traditions and strong foundations of the Sisters of St. Joseph and St Mary Of The Cross' call for people they "never see a need without doing something about it"

Through a dynamic partnership between students, parents, staff, parish members and the wider community, we challenge and support one another towards growth and full potential. Our teachers work in collaboration

School Features

History of the school

The school has an interesting history dating back to 1958. Prior to that date, the Catholic children of Windale (called Surprise Town until 1951), were educated at the local state school, or travelled to neighbouring schools at Charlestown or Adamstown. Originally the school was conducted in the present church building, incorporating 3 classrooms separated by partitions - which was opened in 1959. Three sisters of St Joseph formed the first staff, residing at Swansea convent and travelling to and from Windale daily, until July of 1959 when the adjoining St Joseph's convent was opened. Additional buildings were built in 1993 to accommodate the growing demand and to provide the school with suitable classroom and administration spaces. Further buildings (a new Library and Hall) were built in 2011 under the National Pride Funding provided by the Australian Government allowing the school to utilise even better spaces for its educational endeavours. A deck was built in 2018 and an improved entry into the school and in 2019 a further decking area was constructed, and the student toilets were refurbished. In 2021 our carpark was ungraded and building works have been approved to start in 2024 which will involve a redesign of the playground as well as two new buildings.

Location/Drawing

St Pius X draws its students predominantly from the suburbs of Windale, Gateshead West, Tingira Heights and Mount Hutton with a number of families travelling from Gateshead, Belmont North, Valentine and Warners Bay. Inclusive Practices

Inclusive Practice values the uniqueness and diversity of our children and focuses on being able to provide educational opportunities that may require adjustments and modifications in the school setting.

Identified children are categorised into three areas – PLP (Personalised Learning Plan), ILP (Individual Learning Plan) and Support Plan students. These individualised plans focus on the needs of each child in accordance with NCCD guidelines. Identified children are supported in class according to each individualised plan. Support takes place within the classroom and can occur during small group work with the inclusion support staff.

St Pius X has a Learning Support Teacher whose role is to work collaboratively with educators, children, parents and various outside agencies to support the process of providing inclusive practices in our classrooms. Student Learning assistants also provide support to children in the provision of inclusive practises. Much of their work involves supporting children who require adjustments in the classroom and assisting with the implementation of various programs as required.

Classroom teachers are the primary educators responsible for the overall learning and development of your child. The Learning Support Teacher works closely with all teaching staff at St Pius X Primary School to ensure that these individualised plans are implemented ensuring the best possible outcomes for your child.

Our foremost mission revolves around identifying gifted learners and nurturing their talents through tailored learning opportunities, comprehensive training, and dedicated practice. Our commitment to academic excellence extends to all students, with a particular focus on meeting the unique needs of gifted learners.

To ensure the realisation of our vision, we have a dedicated Gifted Education Mentor (GEM) Kerrie Murphy and a dedicated Gifted Education Committee. Together, they collaborate with teachers to collect and analyse data, pinpoint students' strengths and areas for improvement, and devise appropriate strategies to cater to individual needs. We firmly believe in differentiating the learning experiences in all classrooms, ensuring that every student receives the targeted support they require to thrive.

Under the guidance of our GEM, our students have the chance to develop vital skills and strategies while engaging in open-ended investigations. These thought-provoking tasks

encourage students to delve deeper, exploring knowledge in a critical and meaningful manner.

At St Pius X, we are dedicated to nurturing the potential of every gifted learner, fostering a community where excellence thrives, and boundless possibilities await. Together, we embrace this exciting journey of learning and growth.
